

dbasepool.h

```
graph TD; A[dbasepool.h] --> B[vector]; A --> C[QString];
```

A diagram illustrating the dependencies of the `dbasepool.h` header file. At the top, a gray rectangular box contains the text `dbasepool.h`. Two blue arrows originate from the bottom edge of this box. The left arrow points diagonally down and to the left to a white rectangular box containing the text `vector`. The right arrow points diagonally down and to the right to another white rectangular box containing the text `QString`. All boxes have a thin black border.
